

BRIGHAM HEALTH**BRIGHAM AND
WOMEN'S HOSPITAL**

Welcome to the Weiner Center at Brigham and Women's Hospital !

Based on the planned procedure, there is a possibility that you may need to spend some time after surgery in the Intensive Care Unit (ICU) to ensure that we can provide you with the best possible care after your procedure. We would like to give you some information about how you can best prepare for this by completing a health care proxy and advanced directive forms, which have been provided to you when you checked in to our clinic.

We want to make sure that this video is helpful, therefore we would request that you complete the questions on the FRONT of the next page before watching the video and the questions on the BACK of the next page after watching the video.

Thanks so much for helping us make sure that all important information regarding your preferences for care is available to you before your procedure.

QUESTIONNAIRE BEFORE VIEWING VIDEO:Demographic information:

Age: _____
