Supplemental digital content for Norris J, Carpenter JG, Eaton J, et al. The development and validation of the interprofessional attitudes scale: Assessing the interprofessional attitudes of students in the health professions. Acad Med.

Supplemental Digital Figure 1 Flowchart of invited and participating students presented as a CONSORT flow diagram. The flowchart includes the number of invited and participating students at four University of Utah Health Sciences Center colleges and schools as part of a survey study of students' interprofessional attitudes, 2012. The percentages in the Response Rate section of the figure refer to the percentages of respondents (left-hand box) and non-respondents (right-hand box) from each of the participating programs, colleges, and schools. IPAS indicates Interprofessional Attitudes Scale.
