

## Supplemental Digital Appendix 2

### End-of-Clerkship Open-Ended Questions Survey, Stanford University School of Medicine<sup>a</sup>

<b>Preamble:</b>	<b><i>Write down your impressions of and reactions to the program. Consider the following questions to help you guide your responses.</i></b>
Question 1:	In what ways, if any, did these discussions about the clerkship educational environment influence your experience during the clerkship?
Question 2:	What is the value of these sessions?
Question 3:	What would you predict as the larger result(s) or impact(s) of this program?
Question 4:	How could the program be improved to better prepare you and your fellow students for the surgery clerkship educational environment?
