

Appendix 1. Leiomyoma Morcellation Review Group

Updated on December 14, 2015

Financial Disclosure: Dr. Parker received consultant fees in 2014 from Ethicon, Inc., for work completed in 2011 to teach aviation safety principles to the operating room staff of Saint John's Hospital. Dr. As-Sanie participated in a 1-day consultation in March 2013 with Ethicon to evaluate a laparoscopic morcellator not yet on the market. The other members of the Leiomyoma Morcellation Review Group did not report any potential conflicts of interest.

William Parker, MD
Clinical Professor
UCLA School of Medicine
Director, Minimally Invasive Gynecologic Surgery
Santa Monica-UCLA Medical Center

Jonathan S Berek, MD, MMS
Laurie Kraus Lacob Professor
Director, Stanford Women's Cancer Center
Director, Stanford Health Care Communication Program
Chair, Department of Obstetrics and Gynecology
Stanford University School of Medicine

Elizabeth Pritts, MD
Wisconsin Fertility Institute
Middleton, WI

David Olive, MD
Wisconsin Fertility Institute
Middleton, WI

Andrew M. Kaunitz, MD
University of Florida Research Foundation Professor
Associate Chair, Department of Obstetrics and Gynecology
University of Florida College of Medicine—Jacksonville
