Appendix 1. Patient Satisfaction for Nulliparous Women Undergoing Outpatient vs Inpatient Cervical Ripening With a Transcervical Foley Catheter

Outcome	Outpatient n=63	Inpatient n=63	p-value
I had appropriate and adequate control over my care	7 (6-7)	7 (7-7)	0.82
The persons responsible for my care are/were caring and compassionate.	7 (7-7)	7 (7-7)	0.72
Problems that have arisen up to now have not been dealt with effectively.	1 (1-2)	1 (1-2)	0.26
My needs have been addressed with appropriate consideration for my time.	7 (7-7)	7 (7-7)	0.99
The overall organization of my care has not been appropriate.	1 (1-1)	1 (1-2)	0.06
I would choose the same type of care for my next pregnancy.	7 (7-7)	7 (6-7)	0.23
Survey 2: Lady-X <sup>†</sup>			
Presence of expert healthcare professionals during childbirth	1 (1-1)	1 (1-1)	0.30
Information given by the healthcare professionals during childbirth	1 (1-1)	1 (1-1)	0.52

Ausbeck EB, Jauk VC, Files P, Kuper SG, Subramaniam A, Casey BA, et al. Outpatient foley catheter for induction of labor in nulliparous women: a randomized controlled trial. Obstet Gynecol 2020;136.

Taking your wishes seriously during childbirth	1 (1-1)	1 (1-1)	0.47
Emotional support by healthcare professionals during childbirth	1 (1-1)	1 (1-1)	0.19
Feeling of security during childbirth	1 (1-1)	1 (1-1)	0.05
Worries about the health of your child during childbirth	2 (1-2)	1 (1-2)	0.90
Time until the first contact with your child	1 (1-1)	1 (1-1)	0.25
Survey 3: Visual Analog Pain Scale <sup>‡</sup>			
Worst amount of pain that you experienced during labor	65 (40-81)	55 (40-80)	0.62
Overall pain that you experienced during labor	60 (40-80)	60 (35-80)	0.79
Worst amount of pain you experienced during placement of the Foley balloon	30 (10-50)	20 (5-40)	0.11
How likely you are to recommend your method of induction to a friend or family member?	80 (50-100)	90 (50-100)	0.45

Data are median (interquartile range) unless otherwise specified.

\*Survey scored from 1 to 7 for each question, with 1 indicating "Strongly Disagree" and 7 indicating "Strongly Agree"

†Survey scored from 1 to 3 for each question, with 1 being the most positive response

‡Scored from 0-100 for each question, with 100 being the most positive response
