Appendix 2	Coinvestigators
------------	-----------------

Name	Location	Role	Contribution
Dr. Ira Goodman	Accelerated Enrollment Solutions	Principal Investigator	Participated in conduct of the clinical
	Orlando, FL, USA		trial
Dr. Perminder Bhatia	Neuropain Medical Center	Principal Investigator	Participated in conduct of the clinical
	Fresno, CA, USA		trial
Dr. Robert Hauser	USF Parkinson's Disease and Movement Disorders Center	Principal Investigator	Participated in conduct of the clinical trial
	Tampa, FL, USA		
Dr. James Scott	Neurology Associates of Ormond Beach	Principal Investigator	Participated in conduct of the clinical
	Ormond Beach, FL, USA		trial
Dr. David Kreitzman	David L. Kreitzman, MD, PC	Principal Investigator	Participated in conduct of the clinical
	Commack, NY, USA		trial
Dr. Kevin Black	Washington University St. Louis, MO, USA	Principal Investigator	Participated in conduct of the clinical trial
Dr. Burton Scott	Duke Movement Disorders Clinic	Principal Investigator	Participated in conduct of the clinical
	Durham, NC, USA		trial
Dr. Jeffrey Ratliff	Thomas Jefferson University Hospital	Principal Investigator	Participated in conduct of the clinical
	Philadelphia, PA, USA		trial
Dr. Jennifer Hui	Keck School of Medicine of University of Southern California	Principal Investigator	Participated in conduct of the clinical trial
	Los Angeles, CA, USA		
Dr. Brian Maddux	Riverhills Neuroscience	Principal Investigator	Participated in conduct of the clinical
	Cincinnati, OH, USA		trial

Chicago, IL, USA Dr. Fernando Pagan Georgetown University Hospital Washington, DC, USA Dr. David Song CITrials Riverside, CA, USA CITrials Dr. Winona Tse Ichan School of Medicine, Mt. Sinai New York, NY, USA Dr. Andres Deik Dr. Parkinson's Disease and Movement Disorders Center of the University of Pennsylvania Philadelphia, PA, USA Dr. Stewart Factor Shahed Dr. Joohi Jimenez- Shahed Dr. Jason Aldred Dr. Jason Aldred Dr. Alberto Vasquez Suncoast New Yosk, NY, USA Dr. Alberto Vasquez Suncoast Neuroscience Associates, Inc. St. Petersburg, FL, USA Dr. Ramon Gil Dr. Parkinson's Disease Treatment Center of Southwest Florida Port Charlotte, FL, USA Dr. Peter LeWitt Henry Ford Hospital Principal Investigator Participated in conduct of the clinica trial				
Dr. David Song CITrials Riverside, CA, USA Principal Investigator Repair Investigator Participated in conduct of the clinical trial		Medical Center	Principal Investigator	conduct of the clinical
Riverside, CA, USA Principal Investigator Medicine, Mt. Sinai New York, NY, USA Parkinson's Disease and Movement Disorders Center of the University of Pennsylvania Philadelphia, PA, USA Dr. Stewart Factor Dr. Joohi Jimenez-Shahed Dr. Jason Aldred Dr. Jason Aldred Dr. Alberto Vasquez Dr. Alberto Vasquez Dr. Ramon Gil Parkinson's Disease and Movement Disorders Center of the University Associates, Inc. St. Petersburg, FL, USA Dr. Peter LeWitt Dr. Peter LeWitt Riverside, CA, USA Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial	Dr. Fernando Pagan	University Hospital	Principal Investigator	conduct of the clinical
Medicine, Mt. Sinai New York, NY, USA Dr. Andres Deik Parkinson's Disease and Movement Disorders Center of the University of Pennsylvania Philadelphia, PA, USA Dr. Stewart Factor Baylor College of Medicine Houston, TX, USA Dr. Jason Aldred Dr. Jason Aldred Dr. Alberto Vasquez Dr. Alberto Vasquez Dr. Ramon Gil Parkinson's Disease and Movement Disorders Center of the University of Pennsylvania Philadelphia, PA, USA Principal Investigator Principa	Dr. David Song		Principal Investigator	conduct of the clinical
Dr. Andres Deik Parkinson's Disease and Movement Disorders Center of the University of Pennsylvania Philadelphia, PA, USA Dr. Stewart Factor Emory University Atlanta, GA, USA Dr. Joohi Jimenez-Shahed Dr. Jason Aldred Inland Northwest Research Spokane, WA, USA Dr. Alberto Vasquez Dr. Alberto Vasquez Dr. Ramon Gil Parkinson's Disease and Movement Disorders Center of Southwest Florida Port Charlotte, FL, USA Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial	Dr. Winona Tse	Medicine, Mt. Sinai	Principal Investigator	conduct of the clinical
Dr. Stewart Factor Emory University Atlanta, GA, USA Principal Investigator Atlanta, GA, USA Principal Investigator Shahed Dr. Joohi Jimenez- Shahed Baylor College of Medicine Houston, TX, USA Principal Investigator Inland Northwest Research Spokane, WA, USA Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Neuroscience Associates, Inc. St. Petersburg, FL, USA Principal Investigator Participated in conduct of the clinical trial Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial Principal Investigator Participated in conduct of the clinical trial	Dr. Andres Deik	Parkinson's Disease and Movement Disorders Center of the University of Pennsylvania	Principal Investigator	Participated in conduct of the clinical
Shahed Medicine Houston, TX, USA Dr. Jason Aldred Inland Northwest Research Spokane, WA, USA Dr. Alberto Vasquez Dr. Alberto Vasquez Dr. Ramon Gil Parkinson's Disease Treatment Center of Southwest Florida Port Charlotte, FL, USA Principal Investigator Participated in conduct of the clinica trial Principal Investigator Conduct of the clinica trial Participated in conduct of the clinica trial Principal Investigator Participated in conduct of the clinica trial Principal Investigator Participated in Conduct of the clinica trial Principal Investigator Participated in Conduct of the clinica trial Principal Investigator Participated in Conduct of the clinica trial	Dr. Stewart Factor	Emory University	Principal Investigator	conduct of the clinical
Research Spokane, WA, USA Dr. Alberto Vasquez Suncoast Neuroscience Associates, Inc. St. Petersburg, FL, USA Dr. Ramon Gil Parkinson's Disease Treatment Center of Southwest Florida Port Charlotte, FL, USA Principal Investigator Principal Investigator Conduct of the clinical trial Principal Investigator Conduct of the clinical trial Principal Investigator Participated in Conduct of the clinical trial Participated in Conduct of the clinical trial Principal Investigator Participated in Conduct of the clinical trial Principal Investigator Principal Investigator Participated in Conduct of the clinical trial Principal Investigator Participated in Conduct of the clinical trial Principal Investigator Participated in Conduct of the clinical trial Principal Investigator Participated in Conduct of the Clinical trial Principal Investigator Participated in Conduct of the Clinical trial Principal Investigator Participated in Conduct of the Clinical trial Principal Investigator Participated in Conduct of the Clinical trial Principal Investigator Participated in Conduct of the Clinical trial Principal Investigator Participated in Conduct of the Clinical trial Principal Investigator Participated in Conduct of the Clinical trial Principal Investigator Participated in Conduct of the Clinical trial Principal Investigator Participated in Conduct of the Clinical trial Principal Investigator Participated in Conduct of the Clinical trial Principal Investigator Participated in Conduct of the Clinical trial Principal Investigator Participated in Conduct of the Clinical trial Principal Investigator Participated in Conduct of the Clinical trial Principal Investigator Participated in Conduct of the Clinical trial Principal Investigator Participated in Conduct of the Clinical trial		Medicine	Principal Investigator	conduct of the clinical
Neuroscience Associates, Inc. St. Petersburg, FL, USA Dr. Ramon Gil Parkinson's Disease Treatment Center of Southwest Florida Port Charlotte, FL, USA Principal Investigator Participated in conduct of the clinica trial Port Charlotte, FL, USA Principal Investigator Participated in Conduct of the clinica trial	Dr. Jason Aldred	Research	Principal Investigator	conduct of the clinical
Dr. Ramon Gil Parkinson's Disease Treatment Center of Southwest Florida Port Charlotte, FL, USA Principal Investigator Conduct of the clinical trial Port Charlotte, FL, USA Principal Investigator Participated in Participated in Participated in Participated in	Dr. Alberto Vasquez	Neuroscience Associates, Inc.	Principal Investigator	conduct of the clinical
Treatment Center of Southwest Florida Principal Investigator Conduct of the clinical trial Port Charlotte, FL, USA Dr. Peter LeWitt Henry Ford Hospital Principal Investigator Participated in Conduct of the clinical trial		St. Petersburg, FL, USA		
Dr. Peter LeWitt Henry Ford Hospital Principal Investigator Participated in	Dr. Ramon Gil	Treatment Center of Southwest Florida	Principal Investigator	conduct of the clinical
Trincipal investigation Tarticipated in		Port Charlotte, FL, USA		
USA trial	Dr. Peter LeWitt	West Bloomfield, MI,	Principal Investigator	conduct of the clinical

	Dr. Henry Paul Moore	UHealth at Boca Raton Boca Raton, FL, USA	Principal Investigator	Participated in conduct of the clinical trial
