

Appendix A. Post-Implementation Surgeon Survey

Thank you for participating in our beta test of the synoptic op report. Please complete the brief survey below, which asks about usability and acceptability of the synoptic op report.

Thank you!

Please indicate the type of EMR system you have used to implement the synoptic op report.

- 1) What type of EMR system are you using?
- ☐ EPIC
☐ Cerner
☐ Allscripts
☐ Other

We are defining **USABILITY** as easiness of access and use, the extent to which the synoptic op report is efficient and intuitive (not related to the content of the synoptic report).

Please indicate your level of agreement or disagreement with the following statements regarding usability of the synoptic op report.

The synoptic op report ...

- | | Strongly disagree | Disagree | Neutral | Agree | Strongly agree |
|---|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| 2) is easy to access | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| 3) is easy to use during rectal cancer procedures | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| 4) is an efficient tool | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| 5) is an intuitive tool once it has been accessed | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

We are defining **FEASIBILITY** as the extent to which using the synoptic note works in your practice.

Please indicate your level of agreement or disagreement with the following statements regarding feasibility of the synoptic op report.

The synoptic op report ...

- | | Strongly disagree | Disagree | Neutral | Agree | Strongly agree |
|---|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|
| 6) is convenient to use during rectal cancer procedures | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| 7) is practical to use during rectal cancer procedures | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

fits within my practice

☐☐☐☐☐

We are defining ACCEPTABILITY as providing a relative advantage, and credible as an addition to the operative note.

Please indicate your level of agreement or disagreement with the following statements regarding acceptability of using the synoptic op report.

The synoptic op report ...

	Strongly disagree	Disagree	Neutral	Agree	Strongly agree
9) is a credible tool for rectal cancer surgery documentation	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
10) provides an added benefit	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
11) improves rectal cancer surgery documentation	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
12) is appropriate for use during rectal cancer procedures	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
13) is a tool I would choose to use given the option to use it	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
14) should be used consistently for rectal cancer procedures	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
15) should be used based on the current culture of patient safety	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

The final section asks for open feedback about the synoptic op report.

- 16) Please include any other comments regarding implementation and/or use of the synoptic op report.

- 17) Please include any other comments regarding content of the synoptic op report.
