

CURRICULUM VITAE

Name: John Murray LAST

Address: Home: 300 Queen Elizabeth Drive, Apt 11A
Ottawa, Ontario, Canada K1S 3M6
Telephone: (613) 233 4859

Office: Health Sciences Centre,
451 Smyth Road,
Ottawa, Ontario, Canada K1H 8M5
Telephone: (613) 562 5800 Ext. 8285 or (613) 562 5410
Fax: (613) 562 5465
e-mail: jmlast@uottawa.ca

CURRENT ACADEMIC STATUS

Emeritus Professor of Epidemiology & Community Medicine,
University of Ottawa, since July 1992

EDUCATION, ACADEMIC DEGREES, LICENSURE

University of Adelaide Medical School, 1944-49
M.B., B.S., 1949
M.D., 1968, for thesis on "Quality of General Practice"

School of Public Health & Tropical Medicine, Univ. Sydney
D.P.H., 1960

Registered medical practitioner, South Australia, 1949

Registered, General Medical Council (Great Britain) 1951

ECFMG Certification (USA) 1963

Ontario College of Physicians & Surgeons, Reg. # 41406, 1969
(Retired, 1993)

SPECIALTY QUALIFICATIONS

1969: Admitted to Membership, Royal Australasian College of Physicians; MRACP
1969, FRACP 1973

1980: Board certified, general preventive medicine, American Board of Preventive Medicine; admitted to FACPM

1981: Foundation Fellow, American College of Epidemiology; FACE

1982: Admitted to Faculty of Community Medicine, now Faculty of Public Health, Royal Colleges of Physicians (UK) FFCM, now FFPH (K).

1987: Admitted to Royal College of Physicians and Surgeons of Canada as a medical scientist; FRCPC

1990: Admitted to Faculty of Public Health Medicine, Royal Australasian College of Physicians; FAFPHM

SCHOLARSHIPS, HONOURS AND AWARDS

Government Bursary Scholar, South Australia, 1944-49

Travelling Fellow, Australian Postgraduate Medical Federation, 1961-62

Tasmania Prize, Royal Australian College General Practitioners, 1966

Distinguished Service Award, American College of Preventive Medicine, 1984

Honorary Fellowship, Ontario Public Health Association, 1988

University of Ottawa Faculty of Medicine Award for Excellence in Teaching, 1988

Wade Hampton Frost Lecturer, Epidemiology Section, American Public Health Association, 1989

University of Ottawa Faculty of Medicine Award of Excellence, 1990

Special Recognition Award, American College of Preventive Medicine, 1991

Keynote Orator, Japanese Public Health Association, 1991

Visiting scholar, Rockefeller Foundation Study and Conference Center, Villa Serbelloni, Bellagio, Italy) 1992

M.D. Honoris Causa, Uppsala University, Sweden, 1993

Honorary life member, International Epidemiological Association, 1993

Duncan Clark Award for lifetime achievement in preventive medicine Association of Teachers of Preventive Medicine, 1994

Abraham M Lilienfeld Award, American College of Epidemiology, 1997 (for lifetime achievement in epidemiology)

Honorary life member, American College of Epidemiology, 1998

Honorary life member, British Medical Association, 2000

M.D. Honoris Causa, University of Edinburgh, 2003

Honorary Life Member, American Public Health Association 2004

Defries Award, Canadian Public Health Association, 2006 (CPHA's highest honor)

RECENT EXTRAMURAL ACADEMIC PROFESSIONAL ACTIVITIES

External Assessor, University of Malaysia, 1989-92

Visiting professor of epidemiology and external examiner, Kuwait University Faculty of Medicine, 1990

External Assessor, United Arab Emirate University, 1990-93

External assessor, Universities of Adelaide and Western Australia 1994-96

Visiting professor, University of Edinburgh, 2002

EDITORIAL ACTIVITIES

Editor for WHO of papers on 'Sustainable development and health' for the UN Summit on Sustainable Development (Johannesburg Summit, September 2002)

Editorial advisor, Aboriginal AIDS Network, and Canadian AIDS Society, to prepare a glossary of epidemiological and related terms used in HIV/AIDS surveillance, 1999-2000

Consultant on 'medical' and 'health' terminology, *New Oxford American Dictionary*, 1999-2001 (New York: Oxford University Press, 2001)

Member Configuration Control Board and Editorial Advisory Board,

Encyclopedia of Life Support Systems, 1996-9; Theme editor, AHealth@ sections, 1998-99 (Paris and Oxford UK: UNESCO and EOLSS, 2001)

Co-editor, *Oxford Illustrated Companion to Medicine*, 1998-2001 (Oxford: Oxford University Press, 2001)

Editor (epidemiology, public health) *Stedman's Medical Dictionary*, 26th Edn, 1991-5; 27th Edn, 1996-1999 (published 2000); 28th Edn 2000-2004 (Philadelphia: Lippincott Williams & Wilkins, 2005)

Editor-in-chief, *Public Health and Preventive Medicine ("Maxcy-Rosenau-Last")*, 11th Edn, 1980, 12th Edn, 1985, 13th Edn, 1991; Editor-emeritus 14th Edn (New York: McGraw Hill & Co, 1998)

Editor, *A Dictionary of Epidemiology*, 1st Edn, 1983, 2nd Edn, 1987, 3rd Edn, 1995, 4th Edn, 2000 (New York: Oxford University Press)

Associate editor, *An Encyclopedia of Public Health* (New York: Macmillan 2001)

Scientific Editor, *Canadian Journal of Public Health*, 1981-91

Associate Editor, *American Journal of Preventive Medicine*, 1984-92; member of governing board 1984-92; Acting interim editor, 1989-90; member of Editorial Board, 1984-92, 1995-99

Editor, *Annals* of the Royal College of Physicians and Surgeons of Canada, 1990-97

Member Editorial Board, *Health & Environment Digest*, 1990-97

Member of Editorial Board, *International Journal of Epidemiology*, 1987-1990

Member of Editorial Board, *Synergy* (Journal of Canadian Society for International Health), 1987-96

Member of Editorial Board, *Journal of Ecosystem Health*, 1993-1998

Member of Editorial Board, *International Journal of Health Services*, 1970-75

Faculty of Medicine representative, University of Edinburgh Press Committee, 1966-1969

Member, editorial board, *A Companion to Medical Studies* Edinburgh and Oxford:

Blackwell Scientific Publications, Vol. 1 1968, Vol. 2 1970, Vol. 3 1974; editor "Community Medicine" sections throughout.

ACTIVITIES IN BIOMEDICAL ETHICS

Coordinator and editor, International Epidemiological Association initiative on ethics guidelines for epidemiologists, 1987-93

Member ethics review committee, International Development Research Centre, 1989-92

External ethics reviewer, Australian National Health and Medical Research Council, 1989-96

Convener, International Conference on Ethics, Health Policy and Epidemiology, at 12th International Scientific Conference of the IEA, Los Angeles, August 1990

Member of CIOMS Working Group preparing Guidelines on Ethics for Epidemiological Research, 1990-3; co-chairman of XXVth CIOMS Conference (on Development of Guidelines for Ethical Review of Epidemiological Studies), Geneva, November 1990; member of CIOMS Working Group to revise 1982 Guidelines for ethical review of research on human subjects.

Member, Biomedical Ethics Committee, Royal College of Physicians and Surgeons of Canada, 1990-97

Member, Ethics and Standards of Practice Committee, American College of Epidemiology, 1991-1999

Member, Ethics Review Committee, Ottawa-Carleton Department of Public Health, 1993-96

Member, Research Ethics Board, Ottawa Department of Public Health, 2000-2003

Member, Publications Committee, National Council on Ethics in Human Research, 1997-99

MAJOR ACADEMIC ADMINISTRATIVE DUTIES, UNIVERSITY OF OTTAWA

Founder, Medical Education Discussion Group, Chairman, 1971-73

Chairman, Long-range planning committee 1972-74

Chairman, Curriculum Committee, 1974-77

Secretary, School of Medicine 1980-82

Honorary President, Aesculapian Society, 1991-92

Coordinator, Mentor Program for medical students, 1991-97

Coordinator, Interdepartmental First-year Medical Course, PCS 1141, "Human dimensions of health and illness" 1980-92

Member, School of Graduate Studies, 1972-

Faculty of Medicine representative, Student Advisory Group, 1981-1993

Member, Faculty of Medicine 'Wellness Committee' 2000-2004

RECENT CANADIAN AND INTERNATIONAL ADVISORY SERVICE

Consultant to Government of Canada on health implications of climate change mitigation and adaptation options, 1998-9; 2000-2001

Reviewer for Health Sector Working Group, United Nations Intergovernmental Panel on Climate Change, 1998-9

WHO/CIOMS consultant, 1997; participant in WHO conferences on environmental health, Geneva, March 1997, Halifax, Nova Scotia April 1997; Facilitator of WHO/IMPO conference on Women, Health and Environment Bangkok, Thailand, August 1997

Temporary adviser to World Health Organization 1995-1998 on Health Situation Analysis, Trend Assessment and Health Projections for the period 1950-2025

Member of Research Committee, Canadian Global Change Program
Chairman of Health Research Committee, CGCP, 1991-95

Many short-term consultant activities related to health impacts of global change, Canadian Govt. agencies, and nongovernmental organizations, 1990-2005

SERVICE TO PROFESSIONAL ASSOCIATIONS

Ex-officio member, Board of Directors and Executive Committee, Canadian Public Health Association, 1981-91

Board of Regents, American College of Preventive Medicine, 1981-91; President, 1987-89

Member of Council, International Epidemiological Association, 1987-1990

Vice-president for Canada and voting member of Governing Council, American Public Health Association, 1988-89

Member, Board of Directors, American College of Epidemiology, 1989-1992

Member, Advisory Committee, Second International Congress on Peer Review (1993) convened by Council of Biology Editors

Member of Health and Public Policy Committee, Royal College of Physicians and Surgeons of Canada, 1990-97

Member, Biomedical Ethics Committee, Royal College of Physicians and Surgeons of Canada, 1990-97; Ex officio or ad hoc member several other Royal College committees

PREVIOUS APPOINTMENTS AND EXPERIENCE

Professor and Chairman, Department of Epidemiology and Community Medicine, 1970-78; professor of epidemiology, University of Ottawa 1969-1992

Senior Lecturer in Social Medicine, University of Edinburgh, 1965-69

Assistant Professor of Epidemiology and Community Medicine, University of Vermont, 1964-65

Lecturer in Preventive Medicine, School of Public Health and Tropical Medicine, University of Sydney, 1962-63

Visiting Fellow, Medical Research Council Social Medicine Research Unit, London Hospital Medical College, 1961-62

Private student, School of Public Health and Tropical Medicine, University of Sydney, 1960; graduated DPH 1960

Member of 11-partner group medical practice, Adelaide, South Australia, 1954-59

Clinical Assistant, Outpatients Department, Adelaide Children's Hospital, 1957-59

Resident and Medical Registrar, Royal Adelaide Hospital and Hillingdon Hospital,

Edgware General Hospital, Whittington Hospital, Clare Hall Hospital, London, England, 1950-54

Ship's surgeon, British merchant marine, various times, 1951-1964

OTHER PERTINENT PAST EXPERIENCE

Guest lecturer, Capital Medical College of China and Chinese Academy of Medical Sciences, Beijing, 1982 (lectures also in Shanghai, Nanjing, Soochow)

Rapporteur, WHO/Rockefeller Foundation International Conference on Health Statistics, Bellagio, Italy, 1982

External Examiner in Public Health, National University of Singapore, 1982

Visiting Professor of Community Medicine, Mount Sinai School of Medicine, City University of New York, 1978-79

Consultant, King Faisal University, Dahrn, Saudi Arabia, 1977

WHO Consultant (medical education) Project SRL/HMD/007, Sri Lanka, 1976, Project 0221/01, India, 1974, Project SEARO/096 Indonesia, 1972, IEA/PAHO, Colombia, 1967

Secretary, LCME Accreditation teams, McMaster University, 1975, University of Alberta, 1973

Member, Test Committee (Public Health/Preventive Medicine) Medical Council of Canada, 1974-77

Consultant on health manpower planning, Ontario Ministry of Health, 1971-72
Member of steering committee, National Survey of Medical Students, Royal Commission on Medical Education (UK), 1966-68

Consultant, Nuffield Provincial Hospitals Trust (UK), 1965-67

Consultant, Australian Postgraduate Medical Federation, 1962-63

SERVICE ON GOVERNMENT ADVISORY COMMITTEES

Consultant to Auditor General of Canada for evaluation of sustainable development policies,
2000-2001

Consultant to Auditor General of Canada, for evaluation of Health Protection Branch, Health Canada, 1994-95

Temporary Advisor to WHO Energy Panel, Health and the Environment, 1990-1

Consultant, Environmental Health Division, World Health Organization, Geneva 1991

Consultant, International Development Research Centre, Ottawa, Health Sciences Division, 1987-90

Chairman, Working Group on Testing and Reporting for AIDS and HIV Infection, Ontario Ministry of Health, 1988-89

Chairman, Advisory Committee on Environmental Health, Metropolitan Toronto Department of Public Works, 1986-89

Member of WHO/EURO Working group on Scientific Communication, 1987

Consultant on Health Effects of Toxic Substances, Law Reform Commission of Canada, 1981-84

Chairman, ad hoc advisory committee on environmental impact of toxic pesticides, Govts of Canada and New Brunswick, 1980

Chairman, Steering Committee for developmental assessment of District Health Councils, Ontario, 1980-83

Member, Task Force on Demonstration Models, Ontario Ministry of Health, 1972-76

Member, National Health Grant Review Committee, Health and Welfare Canada, 1971-75, Chairman, Personnel Support Subcommittee, 1974-75

Member, Epidemiology and Disease Control Study Section, National Institutes of Health, US Dept. Health Education and Welfare, 1972-76; member special study sections 1977-83

Member, Expert Committee, Canada Health Survey, 1974-76

Chairman, Public Health Manpower Committee, Council of Ontario Faculties of Medicine and Ontario Ministry of Health, 1976-78

EDUCATIONAL ACTIVITIES

Undergraduate and postgraduate teaching of epidemiology, public health and preventive

medicine, medical sociology, community medicine, and medical ethics

Consultant experience on educational planning and evaluation at local, national and international levels

Development of innovative educational methods

Student counselling, approximately 12 students a year until 1993; occasional students (1-2/year) 1994-2003

CURRENT RESEARCH INTERESTS

Environmental epidemiology; ecosystem health; international health; biomedical ethics; environmental ethics (no active research projects or programs at present)

PREVIOUS RESEARCH ACTIVITIES

Applications of epidemiology in health care evaluation; health manpower planning; planning and evaluation of medical education; environmental health

Member of many research program and grant review committees and frequent site visitor, since early 1970s

PROFESSIONAL ASSOCIATIONS

Fellow, American College of Preventive Medicine, 1970-

Fellow, American College of Epidemiology, 1981-

Fellow, (UK) Faculty of Community Medicine, now Faculty of Public Health 1982-

Fellow, Royal Australasian College of Physicians, 1969-

Fellow, American Public Health Association, 1964-

Fellow, Royal Society of Medicine 1961-2005 (resigned 2005)

Fellow, Royal College of Physicians of Canada, 1987-

Member, International Epidemiological Association, 1961-

Member, Society for Epidemiologic Research, 1971-

Member, Association Teachers of Preventive Medicine, 1964-

Member, Society for Social Medicine (UK), 1961-92; emeritus member 1992-

Member, Canadian Public Health Association, 1970-

Member, Canadian Association of University Teachers, 1969-

Member, Canadian Association of Teachers Social and Preventive Medicine; president 1972-73

Member, Canadian Society for International Health, 1974-

Member, Council of Biology Editors, 1983-97

Member, American Association for History of Medicine, 1980-92

Member, Royal Australian College of General Practitioners, 1957-85

Member, British and Australian Medical Associations, 1949-

Past member of various other professional and related associations and societies

PUBLICATIONS AND LITERARY ACTIVITIES

Author/editor of books, editor of several medical journals, and author of many published papers and chapters or sections in many books (see attached list); original peer-reviewed articles are on epidemiology, health services research, medical education, health manpower planning, medical sociology, environmental health, medical ethics; peer reviewer for many journals; frequent book reviewer for many journals and newspapers.

LANGUAGES

English is first language
Some French, German and Italian

OTHER INTERESTS

History and philosophy of science
Antiquarian and other book collecting
Travel, photography and bicycling

BIOGRAPHICAL LISTINGS

American Men and Women of Science
Canadian Who's Who
Who's Who in Ontario
Who's Who in the World
International Who's Who in Medicine and Science
