RV5, RotaTeq; RV1, Rotarix; NA, not applicable

^a Eligibility was restricted to children who had been continuously enrolled from birth until at least 3 months of age. Children who were from a universal vaccine state or had received a mixed dose of RV5 or RV1 were excluded.

^b Infants <1 year of age were restricted to those who were vaccine eligible (i.e. 3-11 months).

^c RV5 coverage was defined as receipt of at least 1 dose of RV5 by December 31 for years 2007-2014.

^d RV1 coverage was defined as receipt of at least 1 dose of RV1 by December 31 for years 2009-2014.
