Supplementary File 1. SONG-Tx Graft Loss Workshop Investigators

Name	Primary affiliation	Country
SONG Executive Committee		
Jonathan Craig (Chair)	The University of Sydney	Australia
Allison Tong	The University of Sydney	Australia
Angela Wang	The University of Hong Kong	Hong Kong
Brenda Hemmelgarn	University of Calgary	Canada
Braden Manns	University of Calgary	Canada
David Wheeler	University College London	UK
John Gill	University of British Columbia	Canada
Peter Tugwell	University of Ottawa	Canada
Roberto Pecoits-Filho	Pontifícia Universidade Católica do Paraná	Brazil
Sally Crowe	Crowe Associates Ltd	UK
Tess Harris	PKD International	UK
Wim Van Biesen	University of Ghent	Belgium
Wolfgang Winkelmayer	Baylor College of Medicine	US
SONG-Tx Steering Group		
Jeremy Chapman (Chair)	Westmead Hospital	Australia
Anthony Warrens	Queen Mary University of London	United Kingdom
David Rosenbloom	ESRD Network 18	United States
Germaine Wong	The University of Sydney	Australia
John Gill	University of British Columbia	Canada
Klemens Budde	Charité – Universitätsmedizin	Germany
Lionel Rostaing	Toulouse University Hospital	France
Lorna Marson	The University of Edinburgh	United Kingdom
Michelle Josephson	The University of Chicago	United States
Peter Reese	University of Pennsylvania	United States
Tim Pruett	University of Minnesota	United States
SONG-Tx Graft Health Expert Working Group		
Greg Knoll (Chair)	University of Ottawa	Canada
Barbara Murphy	The Mount Sinai Hospital	United States
Benita Padilla	National Kidney and Transplant Institute	Philippines
Emilio Poggio	Cleveland Clinic	United States
Kai Ming Chow	Chinese University of Hong Kong	Hong Kong
Krista Lentine	Saint Louis University	United States
Lorna Marson	University of Edinburgh	United Kingdom
Rainer Oberbauer	The University of Vienna	Austria
Roslyn Mannon	University of Alabama at Birmingham	United States
Steve Chadban	Royal Prince Alfred Hospital	Australia
SONG Coordinating Committee		
Amelie Bernier-Jean	The University of Sydney	Australia
Amy Kelly	The University of Sydney	Australia
Andrea Viecegli	University of Queensland	Australia
Ankit Sharma	The University of Sydney	Australia
Angela Ju	The University of Sydney	Australia
Armando Teixeira-Pinto	The University of Sydney	Australia

Ayano Kelly	Australian National University	Australia
Benedicte Sautenet	University of Tours	France
Camilla Hanson	The University of Sydney	Australia
Claudia Rutherford	The University of Sydney	Australia
Daniel Sumpton	The University of Sydney	Australia
Emma O'Lone	The University of Sydney	Australia
Jenny Shen	University of California	United States
Karine Manera	The University of Sydney	Australia
Kim Linh Van	The University of Sydney	Australia
Lorraine Hamiwka	University of Calgary	Canada
Martin Howell	The University of Sydney	Australia
Nicole Evangelidis	The University of Sydney	Australia
Richard McGee	The University of Sydney	Australia
Sarah Bernays	The University of Sydney	Australia
Talia Gutman	The University of Sydney	Australia
Yeoungjee Cho	University of Queensland	Australia
Participants and contributors – Health professionals*		
Ajay Israni	University of Minnesota	United States
Alan Jardine	University of Glasgow	United Kingdom
Alan Leichtman	Arbor Research Collaborative for Health	United States
Andrew Malone	Washington University	United States
Arthur Matas	University of Minnesota	United States
Bert Kasiske	Hennepin County Medical Center	United States
Brenna Kane	University of Chicago	United States
Bryce Kiberd	Dalhousie University	Canada
Carmel Hawley	Princess Alexandra Hospital	Australia
Chris Larsen	Emory University	United States
Chris Watson	University of Cambridge	United Kingdom
Christophe Legendre	Hôpital Necker Paris Descartes University	France
Christoph Wanner	Universitätsklinikum Würzburg	Germany
Curie Ahn	Seoul National University Hospital	South Korea
Daniel Brennan	Johns Hopkins Medical School	United States
Daniel Seron	University Hospital Vall d'Hebron	Spain
Dirk Kuypers	University Hospitals Leuven	Belgium
Dorry Segev	Johns Hopkins University	United States
Elena Bavlovlenkov	Centers for Medicare & Medicaid Services	United States
Fabienne Dobbels	University of Leuven	Belgium
Fergus Caskey	University of Bristol	United Kingdom
Frank Dor	Imperial College London	United Kingdom
Fritz Diekmann	Hospital Clinic Barcelona	Spain
Gabriel Danovitch	University of California Los Angeles	United States
Hai An Ha Phan	Viet Duc University Hospital	Vietnam
Hallvard Holdaas	Oslo University Hospital	Norway
Hassan Ibrahim	University of Minnesota	United States
Ignatius Tang	University of Illinois Health	United States
Ina Jochmans	University Hospitals Leuven, KU Leuven	Belgium
Jane Tan	Stanford University	United States
Jayme Locke	University of Alabama at Birmingham	United States

John Devin Peipert	University of California Los Angeles	United States
John Friedewald	Northwestern Medicine	United States
John Kanellis	Monash Medical Centre	Australia
John Scandling	Stanford University	United States
Jonah Odim	National Institutes of Health	United States
Joseph Kim	University of Toronto	Canada
Klemens Meyer	Tufts Medical Center	United States
Linda Ohler	George Washington University Hospital	United States
Marc Cavaillé-Coll	United States Food and Drug Administration	United States
Marc Clancy	NHS Greater Glasgow and Clyde	United Kingdom
Michelle Jesse	Henry Ford Health System	United States
Michelle Josephson	University of Chicago	United States
Paul Harden	Oxford University	United Kingdom
Peggy Bia	Yale University	United States
Peter Friend	Oxford University	United Kingdom
Phil O'Connell	Westmead Hospital	Australia
Quinetta Taylor	Patient Liaison, University of Chicago	United States
Rachel Patzer	Emory University	United States
Randall Morris	Stanford University	United States
Renata Albrecht	United States Food and Drug Administration	United States
Rhiannon Reed	University of Alabama at Birmingham	United States
Robert Gaston	University of Alabama	United States
Ron Shapiro	Recanati/Miller Transplantation Institute Mount Sinai Hospital	United States
Rudolf P. Wüthrich	University Hospital, Zürich	Switzerland
Sanjay Kulkarni	Yale University	United States
Sheila Jowsey-Gregoire	Mayo Clinic	United States
Stephen Alexander	The Children's Hospital at Westmead	Australia
Stephen McDonald	Royal Adelaide Hospital	Australia
Vivekanand Jha	George Institute for Global Health	India
Zeeshan Butt	Northwestern University	United States
Participants and contributors - Patients/family members/caregivers		
Quinetta Taylor	Patient Liaison, University of Chicago	United States
Kevin Fowler	Kidney Health Initiative, The Voice of the Patient	United States
Christine Lipuma	Not applicable	United States
Robert Mueller	Not applicable	United States
Gloria Mueller	Not applicable	United States
Toure Peck	Not applicable	United States
Egle Juodvalkis	Not applicable	United States
Daniel Contreras	Not applicable	United States
Patricia Contreras	Not applicable	United States
Andrea Koritala	Not applicable	United States
Nancy Nolan	Not applicable	United States
Stephen Nolan	Not applicable	United States
Den Koide	Not applicable	United States
Jinny Koide	Not applicable	United States
Adam Kozarewicz	Not applicable	United States
Richard Kozarewicz	Not applicable	United States

Laura Kozarewicz	Not applicable	United States
James Zerante	Not applicable	United States
Susan Zerante	Not applicable	United States
Gena Zerante	Not applicable	United States
Jim Thomas	Not applicable	United States
Demetria Harris	Not applicable	United States
Elizabeth Lisiecki	Not applicable	United States
Larry Noble	Not applicable	United States
Lynda Urbanczyk	Not applicable	United States
Leilah Sampson	Not applicable	United States
Margaret Lyman	Not applicable	United States

Supplementary File 2. Questions for break out discussions

1. What are your thoughts about the suggested definition of graft loss to be used in research (clinical trials)?
2. Do you have any thoughts about how graft loss should be measured? (e.g. definition, when it should be measured)
3. What are some other considerations when deciding on the best way (i.e. appropriate, meaningful) to measure graft loss in trials?
