## Appendix 2 Coinvestigators

---

| Name                                   | Location  | Role                    | Contribution  |
|--|---|-------------------------|---|
| <b>Annabella Beteta, MD</b>            | Barcelonabeta Brain Research Center, Barcelona, Spain | Medical Advisor         | Advised/reviewed the clinical protocol, performed clinical visits |
| <b>Raffaele Cacciaglia, PhD</b>        | Barcelonabeta Brain Research Center, Barcelona, Spain | Site investigator       | Performed imaging pipelines                                       |
| <b>Alba Cañas, MSc</b>                 | Barcelonabeta Brain Research Center, Barcelona, Spain | Neuropsychologist       | Performed neuropsychological evaluations                          |
| <b>Irene Cumplido, MSc</b>             | Barcelonabeta Brain Research Center, Barcelona, Spain | Site investigator       | Performed imaging pipelines                                       |
| <b>Ruth Dominguez, MSc</b>             | Barcelonabeta Brain Research Center, Barcelona, Spain | Clinical research nurse | Performed clinical visits   |
| <b>Maria Emilio, MS</b>                | Barcelonabeta Brain Research Center, Barcelona, Spain | Clinical research nurse | Performed clinical visits   |
| <b>Carles Falcon, PhD</b>              | Barcelonabeta Brain Research Center, Barcelona, Spain | Site investigator       | Performed imaging pipelines                                       |
| <b>Blanca Rodriguez-Fernandez, MSc</b> | Barcelonabeta Brain Research Center, Barcelona, Spain | Site investigator       | Performed biostatistical analyses                                 |
| <b>Iman Sadeghi, PhD</b>               | Barcelonabeta Brain Research Center, Barcelona, Spain | Site investigator       | Performed biostatistical analyses                                 |
| <b>Eleni Palpatzis, MSc</b>            | Barcelonabeta Brain Research Center, Barcelona, Spain | Site investigator       | Performed biostatistical analyses                                 |
| <b>Laura Stankeviciute, MSc</b>        | Barcelonabeta Brain Research Center, Barcelona, Spain | Site investigator       | Performed imaging pipelines                                       |

---

|                                   |   |                            |   |
|-----------------------------------|---|----------------------------|---|
| <b>Laura Hernandez, MSc</b>       | Barcelonabeta Brain Research Center, Barcelona, Spain | Clinical research nurse    | Perfomed clinical visits  |
| <b>Gema Huesa, PhD</b>            | Barcelonabeta Brain Research Center, Barcelona, Spain | Clinical data manager      | Performed and coordinated data entry, storage and organization              |
| <b>Jordi Huguet, MSc</b>          | Barcelonabeta Brain Research Center, Barcelona, Spain | IT Neuroimaging specialist | Performed data entry, storage and organization, performed imaging pipelines |
| <b>Paula Marne, MSc</b>           | Barcelonabeta Brain Research Center, Barcelona, Spain | Neuropsychologist          | Perfomed clinical visits  |
| <b>Tania Menchón, MSc</b>         | Barcelonabeta Brain Research Center, Barcelona, Spain | Nurse Coordinator          | Coordinated and performed clinical visits                                   |
| <b>Albina Polo, MD</b>            | Barcelonabeta Brain Research Center, Barcelona, Spain | Medical Advisor            | Advised/reviewed the clinical protocol, performed clinical visits           |
| <b>Sandra Pradas, MSc</b>         | Barcelonabeta Brain Research Center, Barcelona, Spain | Nurse                      | Perfomed clinical visits  |
| <b>Anna Soterias, MSc</b>         | Barcelonabeta Brain Research Center, Barcelona, Spain | Clinical Study Coordinator | Coordinated clinical visits   |
| <b>Marc Vilanova, BSc</b>         | Barcelonabeta Brain Research Center, Barcelona, Spain | MRI Technician             | Supervised and performed MRI data acquisition                               |
| <b>Natalia Vilor-Tejedor, PhD</b> | Barcelonabeta Brain Research Center, Barcelona, Spain | Site investigator          | Performed biostatistical analyses   |
|                                   |   |                            |   |
|                                   |   |                            |   |
|                                   |   |                            |   |
|                                   |   |                            |   |
